

Amphenol Air LB GmbH	Product Change / Obsolescence Notification	FBL.07.309
		page 1 / 2

Type of Notification:

<input checked="" type="checkbox"/> (X) Product Change	<input type="checkbox"/> () Obsolescence notification
---	---

Date	Notification No.	Issue
04.03.2026	PCN_0022	A

Product ID (Description):

Former / actual Part Number	Former / actual Part Number Description	New / Alternate / Replacement Part Number	New / Alternate / Replacement Part Number Description
VG96940-*****B	VG96940-*****B	VG96940-*****A	VG96940-*****A

Description of Change:

There are two versions of seals VG96940-*****A and VG96940-*****B.
Since version A meets all requirements of version B, version B will be discontinued.

Effect of Change:

Amphenol Air-LB will only offer Version A.
All orders for version B that have already been entered but not yet delivered can be amended to version A.

Technical characteristics and performances:

Seals of version A meet all requirements of version B.

Visual Characteristics:

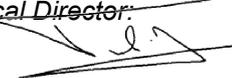

Color changes from dark green to light green.

Interchangeability:

All part numbers of version B can be replaced with the identical part numbers in version A, just through amending the last letter of the part number from B to A

Application date:

March 10th, 2026
